Job Title

General Manager

Brief Job Description

Gull Lake Country Club is seeking a self-motivated, energetic General Manager with strong leadership skills to manage the Club staff and work directly with the Board of Directors to continue the successful operations of the Club. The General Manager plans and directs the activities of the food and beverage operations and is responsible for event planning for members and guests including the coordination of multi-facility activities such as golf outings. The General Manager manages the business office, working directly with the Controller to set and maintain financial goals and ensure compliancy with government regulations, as well as managing all billings, marketing and member relations.

Candidate Qualifications

The General Manager will have a proven background in effectively managing club operations. Candidate must possess excellent communication and human relations skills with members, staff and board of directors. Experience in private club management is preferred with an emphasis on:

- A minimum of 5 years as Assistant Club Manager or Senior Restaurant Manager
- Food and Beverage management
- Capital Project experience
- Financial management
- Strong leadership skills
- Membership growth and retention
- Event planning

Educational Requirements

A bachelor's degree in business or hospitality management or related is preferred.

Date Position Available

August 1, 2018
